ADVENTURE CLUB

Presents:

The Taste Test Box

The Taste Test Box is a turn-key teaching kit for educators to help children discover, eat and love their fruits and vegetables.

This monthly subscription contains step-by-step instructions and ALL the fresh ingredients needed for an easy, exciting exploration.

Discover,
Eat & Love
Fruits and
Vegetables!

Each Taste Test Box includes:

- Pre-measured, fresh, local ingredients directly from a featured farm
- Recipe card with step-by-step picture instructions
- Taste Test survey poster
- “I tried it” stickers
- Connections to learning standards
- Take-home recipes for parents
- Vegetable and farmer information
- Funjokes

How It Works

1

Sign up

2

We prepare and send your Taste Test Box

3

Lead the Taste Test with students

4

Students learn about farmers and new fruits and vegetables

5

Students bring the recipe home to parents

Serving size: Tastes for 25 students

The Taste Test Box is perfect for:

- Preschool and ECE teachers
- K-12th grade settings
- After school programs
- Clubs

What Teachers Are Saying:

“Parents and caregivers are amazed that kids will actually eat their vegetables! And I love how this activity connects with all my high-quality teaching standards in math, science, and literacy.”

- Wande Okunoren-Meadows, Early Childhood Program Administrator

“The Taste Test box is a turn-key solution for the out of school time setting. The older kids are able to lead the taste test in their clubs because the recipes are simple and designed to give youth the opportunity to experience the fruit or vegetable in a raw form.”

- Ashley Rouse, Out of School Time Sector Director, HealthMPowers

“We LOVE the Taste Test Box because it introduces our students to a variety of fruits, vegetables, and herbs in a kid-friendly way, with recipes that they will enjoy! I also love that it involves children in the process of creating the recipe.”

- Julia Watkins, PreK Teacher
